Scholarship Championship -

This spring, Region 7 is holding our Fourth Annual competition on May 16, 2009 for the benefit of our regional scholarship fund. These funds are awarded to qualified Black Belts of Region 7 who are attending a college or university. Each year an application process is filled out by eligible candidates for the scholarship and submitted to the Scholarship Committee. The committee reviews each application and then makes their recommendations to the Committee Chairperson. The person or persons selected by the committee are then awarded a scholarship at our regional championship. Please help support this very important part of our organization as we seek to help our members pursue a higher education.
